

SOFTWARE DEVELOPER (m/f/x)

Preferred full-time (38.5 h/week) | Minimum 30 h/week | Seiersberg-Pirka

ABOUT US

Wir sind Expert:innen für Softwarelösungen in der Lebensmittelproduktion – seit über zwei Jahrzehnten entwickeln wir passgenaue Systeme für nationale wie internationale Kund:innen.

Zur Verstärkung unseres Teams suchen wir Developer:innen, die gemeinsam mit uns an der Entwicklung und Optimierung unserer Softwarelösungen arbeiten.

ABOUT YOU

Are you a coding ace, a debugging specialist, or simply a programmer?

Perfect! We are always looking for people who bring experience, passion and commitment to achieve great things together with us.

YOUR QUALIFICATIONS

- IT-oriented vocational training and/or degree: HTL, FH, TU or equivalent qualification
- Knowledge of an object-oriented programming language
- Experience with .NET C# and MS SQL
- Experience with WPF is an advantage
- Independent, solution-oriented & analytical working style with a strong sense of quality
- Team player with enthusiasm for new challenges

GOODIES

Regular outdoor training with a professional instructor

Pleasant offices with ventilation system

Company events (table tennis, BBQ, Bavarian curling, and more)

Flexitime

Parking directly on site

Fresh fruit, coffee, tea & juices

HOW WE WORK

- AI-assisted development with Claude
- Programming in .NET with C#
- Latest Visual Studio version & additional tools
- Interfaces with WPF, WinForms & current JS frameworks (Angular, React)
- Databases on MS SQL
- Mobile solutions with .NET MAUI
- Source code management in GIT
- Regular code reviews
- Ticket management in JIRA
- Remote work possible after onboarding period
- German as company language

YOUR RESPONSIBILITIES

- Development & ongoing optimization of our software solutions
- Analysis, conception & development of new features
- Active knowledge sharing within the team
- Involvement in testing & documentation

YOUR COMPENSATION

In accordance with the collective agreement (ST1 entry level to ST2 standard level). Depending on qualifications and experience, we naturally offer a significant above-average salary – because excellent work deserves excellent compensation.
